

2025 Brush & Bulk Removal Schedule

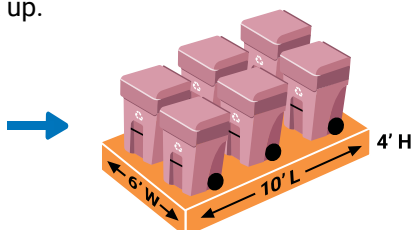

A Better Way for Brush & Bulk

Place your brush and bulk piles out **no later than 5 a.m. on Monday** of your collection week. Material may not be placed for collection any earlier than three (3) days prior to Monday of the week the area is scheduled for collection.

Please separate your brush and bulk pick up into two piles: one for green waste and one for everything else.

The piles should not exceed 10-feet long by 6-feet wide by 4-feet tall. Please place green waste and bulk waste piles at least 3-feet apart from each other and away from any objects obstructing pick up.

Your pile size limit is equivalent to 6 trash or recycle containers placed in 2 rows of 3 each.

Landfill Program

Through the city’s contract with the Salt River Landfill, residential solid waste customers may haul up to 2,000 pounds of trash, brush or bulk items to the landfill once per calendar week (Monday through Saturday). If you exceed one landfill use per calendar week, the charges will be reflected on your next utility bill.

Salt River Landfill
4660 N. Beeline Highway, Scottsdale, Arizona 85256

The city has introduced violations and fees to ensure collection services remain efficient, safe and equitable for everyone in our community. The goal is to keep your collection services running smoothly. When collection guidelines are not followed, it can delay service, increase costs and create safety risks for both residents and collection staff.

To avoid violations and potential fees, please make sure you are following collection guidelines by visiting **ScottsdaleAZ.gov**, search “solid waste”. If a violation occurs, we will provide specific details and guidance to quickly resolve the issue and get you back on track.
